

GAVIN H

Personal statement

I have been working within modeling and promotions for 7 years.

From the moment i had started i have never wanted it too end because i love the challenge of constant change being around new people with new briefs and targets to meet .It keeps me fresh!

Each job is different and exciting which has me working very hard too achieve targets and satisfying the clients. “Exceeding expectations” as they say!

I am very proactive but with a calm and relaxed approached as i like to take time ,pride and care with customers leaving them with a lasting smile too either come again or to be very pleased with the level of communication and service i have given them.

I am always punctual, well groomed ,well prepared and focused on the job in hand .
